

AP[®] Order Form Fall 2007

Below is a brief description of the types of AP[®] resources that are available. Please see page 11 for ordering instructions.

General Interest Publications and Resources

These materials highlight important features of the Advanced Placement Program[®] (AP), including how to build strong AP courses, the benefits of the Program for schools and students, and general information about preparing for and administering the exams. For additional resources, go to apcentral.collegeboard.com/freepubs.

Course Descriptions

These books outline the AP course content, explain the kinds of skills students are expected to demonstrate in the corresponding introductory college-level course, and describe the AP Exam. They are sold separately and as a set. **Course Descriptions are available for downloading free of charge from AP Central[®].**

Teacher's Guides*

Written primarily for new AP teachers, these guides contain syllabi developed by high school teachers currently teaching the AP course and by college faculty who teach the equivalent course at their institution. Along with detailed course outlines and innovative teaching tips, you will find helpful lists of recommended teaching resources. **Teacher's Guides are available for downloading free of charge from AP Central. You can also purchase copies of the Teacher's Guides online at store.collegeboard.com.**

Released Exams*

Released AP Exam books, which include a complete copy of the exam, are published periodically. In addition to providing the multiple-choice questions and answers, an AP Released Exam describes the process of scoring the free-response questions and includes examples of students' actual responses, the scoring guidelines, and scoring commentary that explains why the responses received the scores they did. A cassette or compact disc is included with exams that have an audio component. Anyone, including students, can order an AP Released Exam (with an answer key).

You can also purchase copies of all AP Released Exams in packets of 10 for student use.

Multimedia Resources

Four CD-ROMs are available—AP Calculus AB, AP English Literature and Composition, AP European History, and AP U.S. History—that contain sample questions, tutorials, and many other features that will help teachers and students prepare for these AP courses and exams. Other items include VHS tapes for AP Calculus and AP U.S. History and images for AP Art History and AP Studio Art (CDs for Studio Art).

AP Central[®]

AP Central is the College Board's official online home for AP teachers. AP Central offers the most up-to-date information on AP courses and exams. New and experienced AP teachers will find tips, strategies, and subject-specific content (including syllabi and reviews of classroom resources) to support their teaching. Free-response questions, scoring guidelines, and student samples from past AP Exams are also available. Visit AP Central at apcentral.collegeboard.com.

*Materials included in Teacher's Guides or Released Exams may not reflect the current AP Course Description and exam in each subject, and teachers are advised to take this into account as they use these materials to support their instruction of students. For up-to-date information about AP courses and exams, please download the official AP Course Description from the AP Central Web site at apcentral.collegeboard.com.

**Shop online at store.collegeboard.com.
New AP publications are added regularly, including electronic documents
available for purchase and download.**

How to Order AP Publications

Please send this **entire order form** to the address below for processing orders placed by check, money order, purchase order, or credit card. Payment must accompany all orders.

College Board Publications
Dept. APSPR07B
P.O. Box 869010
Plano, TX 75074

Credit card orders may be placed by phone by calling operator APSPR07B at **800 323-7155**, Monday through Friday, 8 a.m.–9 p.m. ET.

International customers: Call 212 713-8260 or fax 212 713-8265.

Credit card orders and institutional purchase orders above \$25 may be faxed anytime to **888 321-7183**. (To avoid duplication do not mail a confirmation copy of your faxed order.)

Checks should be made payable to The College Board. We cannot ship to P.O. box numbers. Allow 5 to 10 business days for delivery.

Print your billing and shipping addresses on the opposite side of this form. Add the quantities and subtotals from each page and enter the total below. Orders for five or more copies of a single title receive a 20 percent discount. College Board members receive a 15 percent discount on most single titles when ordering one to four copies. Please reflect these discounts in your order total.

For customer service—in English or Spanish—regarding publications, order status, software licensing agreements, or additional shipping options, call us at 800 323-7155 (M–F, 8 a.m.–9 p.m., ET).

We will issue a refund (or cancellation of invoice) for any product returned, in its original condition, within 30 days of the billing date on the invoice. Postage is non-refundable. This includes unopened software and videos; for opened software/videos we offer an exchange only. Sorry, but no collect (COD) shipments can be accepted.

Prices and discounts are subject to change without notice. Please keep a copy of this order form for your records.
