Dear Colleague:

On Sat., Mar. 6, 2010, the AP® Human Geography Development Committee will present a conference on AP Human Geography. The conference, which is **free of charge**, will take place between 8:30 a.m. and 12 p.m. at the Embassy Suites Boca Raton, 661 NW 53rd Street, Boca Raton, FL 33487. Parking is complementary.

You and your colleagues are cordially invited to attend the Development Committee's program, which will feature presentations on teaching AP Human Geography. Participants will have the opportunity to engage in a question and answer session and to exchange information with the high school and college faculty who are responsible for devising the AP Human Geography course and exam and with the Chief Reader, who supervises the evaluation of students' responses to the free-response questions. A copy of the agenda is enclosed. You may wish to post it on your department's bulletin board.

To register for the conference, please complete the enclosed form and return it to Barbara Hildebrant by fax (732-667-4052), mail (ETS, 38-N, Rosedale Road, Princeton, NJ 08541) or e-mail (bhildebrant@ets.org) **by Feb. 20, 2010**. By registering in advance, you will ensure that those planning the conference provide a sufficient number of publications and handouts. We also encourage you to include any questions you would like to have answered at the conference. You will *not* get a confirmation of receipt of your registration form, but your registration assures you of a place at the conference.

We sincerely hope that you and your colleagues will be able to participate in this program and take advantage of the opportunity to meet and exchange ideas with the AP Human Geography Development Committee. We look forward to seeing you in Boca Raton.
